

## Registration (via Active Directory)

**Step 1:** Click on the login link that was sent to you via email or go to [app.foxo.com](http://app.foxo.com) and enter your work email.

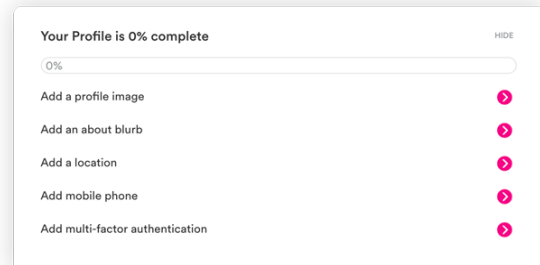

**Step 2:** Enter your Microsoft credentials.

A screenshot of the Microsoft sign-in page. It features the Microsoft logo at the top left, followed by the text "Sign in". Below this is a text input field labeled "Email address, phone number or Skype". A link "Can't access your account?" is positioned below the input field. At the bottom, there are two buttons: "Back" and "Next".

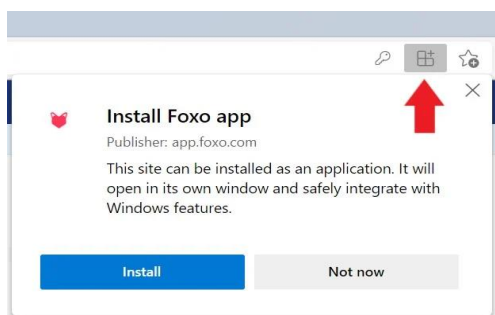

**Step 3:** Complete registration

A screenshot of the foxo registration form. The form is titled "Please complete your registration" and includes the foxo logo. It contains several input fields: "Title" (with "No Title" selected), "First Name" (with "Sarah"), and "Last Name" (with "Hillman"). There is a "Country" dropdown menu set to "AU Australia". Below this is a "Profession" section with three radio button options: "Medical Doctor", "Administrative Staff", and "Other Health Practitioner". A "Mobile Phone (Private)" field is also present, with a note "Used for notifications and identity verification only." and a "Save Details" button at the bottom.

**Step 4:** Complete your profile

A screenshot of the "Your Profile is 0% complete" screen. It shows a progress bar at 0% and a list of items to be added to the profile: "Add a profile image", "Add an about blurb", "Add a location", "Add mobile phone", and "Add multi-factor authentication". Each item has a red arrow icon to its right. A "HIDE" link is visible in the top right corner.

**Step 5:** Download the Desktop App

**Step 6:** Download the Mobile App
