### Welcome to Foxo.

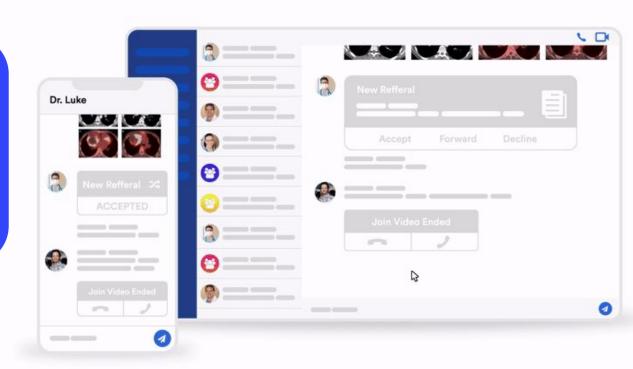

We're excited to work with you. To help set the stage for a successful rollout, we've put together this Welcome Kit to give you a clear overview of what to expect. It includes key information to help guide your first steps and set you up for success from day one.

What is Foxo?

Foxo is a cloud-based, secure clinical collaboration
platform that enables
frictionless and compliant
communication across
Healthcare.

# Our Onboarding Approach

...is to facilitate an onboarding experience that is seamless, intuitive and delivers immediate value to your business and your team.

### Co-Design

While we have a best-practice onboarding process, we co-design the journey with you to suit your unique organisational needs.

### We need a SPOC\*

Nominate a \*Single Point of Contact to join weekly meetings with us, co-design the process, review progress, and drive adoption internally.

### **Product Champions**

We empower your team members to become experts and advocates, driving widespread adoption and long-term success. Ideal Champ: enthusiastic & curious.

### **Change Management**

Success depends on individuals embracing & adopting the change. We provide tools and strategies, but leadership, communication, and internal drive are essential.

### **Launch Loudly**

We recommend launching loudly. Create excitement and provide support with high-impact activities like hype videos, CTAs, onboarding webinars, and more.
