

Information for Healthcare Practitioners

# Secure Communication with Pharmacies

## Secure, two-way communication

GPs, practice staff, and healthcare practitioners can now receive secure messages including consultation notes and referrals from community pharmacies. You'll receive an email with a secure link to view, download and respond if needed.

- ✓ No account setup, no installs
- ✓ Secure link delivered to your inbox
- ✓ Instant access to notes and referrals
- ✓ Two-way communication
- ✓ Encrypted and secure
- ✓ Completely free of charge
